What Students Like You Had to Say:

Julianne R.
Salisbury University
Florence Fall 2017

“ There’s no better way to achieve growth personally than working abroad. I’m so grateful for the opportunities Global Experiences has given me. They were incredibly helpful and supportive, from helping me select my location, to finding an internship, and overall allowing me to get the most out of my experience. Traveling and working in another country came with challenges and incredible adventures. I can’t recommend this program enough! ”

Josh O.
Ferris State University
Dublin Summer 2017

“ I would highly recommend this to anyone looking to learn more about their field, themselves, and the world around them. This program provides what I would consider a once-in-a-lifetime experience. And best of all, it is an experience that has helped me grow both as a professional and an individual. I’m so happy to have gone on this trip and hope many other students get to experience this wonderful city like I was able to. Thanks Global Experiences for a wonderful summer and experience of a lifetime. ”
